

Standard Booking Terms and Conditions

THESE ARE THE TERMS AND CONDITIONS, WHICH APPLY TO YOUR HOLIDAY PACKAGE. PLEASE READ THEM CAREFULLY AS YOU WILL BE BOUND BY THEM.

Roles of the parties

All Travel Services and Holiday Packages featured in brochures and/or on the Official Website are offered for sale by MSC Cruises S.A. ("MSC Cruises"). When you make a Booking, you will be entering into a Contract with MSC Cruises for the supply of each Travel Service and Holiday Package to you.

References to price are references to the total price paid for the World Cruise.

1. Booking Procedure and Deposit

1.1 In order to proceed with a Booking, the Passenger must contact MSC Cruises or one of the authorised Agents or representatives.

1.2 By placing a Booking, the person making the Booking confirms, agrees and accepts that all persons named in the Booking request and on the invoice have agreed to be bound by the Booking Terms & Conditions and that he/she has authority to accept these Booking Terms & Conditions on behalf of all the persons named on the Booking request and invoice.

1.3 A non-refundable deposit of £75 per person for cruise only holiday up to 3-nights, £100 per person for cruise only holiday (4 nights onwards) and £250 per person for air inclusive cruise holidays (including for infants up to 2 years) is due and payable by the Passenger at the time of Booking. For the World Cruise, a non-refundable deposit equal to 15% of the price of the Booking is due and payable by the Passenger within the first week starting from the date of the booking confirmation.

1.4 A Booking will be completed and the Contract will be effective only when MSC Cruises confirms the Booking by sending a confirmation invoice to the Passenger or to the Passenger's Agent.

2. Payment

2.1 Every Booking is subject to availability at the time of Booking. No Booking shall be confirmed, and no Contract shall be made, until the deposit or the

full amount (according to the present Booking Terms & Conditions) is paid and the confirmation invoice provided to the Passenger.

2.2 Full payment is required no later than 63 days prior to departure for bookings less than 14 days in duration. (93 days for cruises of 15 nights or more, including the MSC World Cruise 2024 and MSC World Cruise 2025).

2.3 If the Booking application is made within 63 days prior to departure (93 days for cruises of 15 nights or more, including the MSC World Cruise 2024 and the World Cruise 2025), then full payment must be sent at the time of Booking.

2.4 If any Passenger fails to pay the balance 63 days prior to departure (93 days for cruises of 15 nights or more, including the MSC World Cruise 2024 and MSC World Cruise 2025), MSC Cruises has the right to cancel the Booking without notice and levy cancellation charges in accordance with paragraph 13 below, whether the Booking is resold or not.

3. Prices and Price Guarantee

3.1 No change to the price of your Booking will be made within the 20-day period before departure or once full payment has been received by MSC Cruises.

3.2 The price of your Booking may be varied at all times prior to those detailed in 3.1 above to allow variations for:

- a) Air transportation costs.
- b) Fuel costs for the propulsion of the vessel.
- c) Dues, taxes or fees chargeable for services such as embarkation or disembarkation fees at ports or airports.
- d) the exchange rates relevant to the Holiday Package.

Variations may be upwards or downwards. For paragraph a) any variation of the Contract price will be equal to the extra amount charged by the airline. For paragraph b) any variation of the Contract price will be equal to 0.33% of the price of the Cruise for every dollar of increase of the fuel per barrel (NYMEX Index). For paragraph c) any variation of the Contract price will be equal to the full amount of the fees.

3.3 We will absorb, and you will not be charged for, any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums and any amendment charges.

You will be charged for the amount over and above that. If this results in an increase equivalent to more than 8% on the total Contract price at the time of Booking, the Passenger will be entitled to cancel the Contract with a full refund of the Contract price within the limits and to the extent of the amount effectively paid by the Passenger at the time of cancellation. Such right of refund does not include insurance premiums paid which are in no case refundable.

3.4 To exercise the right to cancel the Passenger must notify MSC Cruises in writing within 7 days of receiving the price increase notification.

4. Insurance

4.1 MSC Cruises recommends that every Passenger should have an adequate insurance policy that covers them sufficiently for Contract cancellation, medical assistance and expenses, loss and/or damage of the luggage, from the time the Contract has been confirmed as Booked to the end of the performance of the Contract.

5. Passport, Visas and Travel Advice

5.1 Passengers must hold fully valid passports for the whole duration of the Contract. For international cruises, the passport expiry date for UK nationals must be of at least 3 months from the departure date. Certain countries insist on machine-readable and digital photo passports, especially Russia and USA.

5.2 MSC Cruises are not responsible for obtaining or checking visas for any Passenger, this is the responsibility of the individual Passenger. Passengers are strongly advised to check for all legal requirements for travelling abroad and at the various ports to include the requirement of visas, immigration, custom and health.

5.3 Passengers under 18 years of age (or 21 years of age for US Passengers or Passengers embarking from a US port) must travel accompanied by their parents or a legal guardian. If one of the traveling minor's parents is not cruising, a signed authorization letter – made in accordance with the laws of the country where the minor resides - from the absent parent authorizing the minor to travel has to be provided at the moment of booking.

5.4 If the minor is travelling with Passengers that are not their parents or legal guardians, MSC Cruises shall require, at the moment of booking, a document signed by the parents or legal guardian authorizing the minor to travel with a chaperone or a designated individual, in accordance with MSC Cruises' policies.

5.5 As a general rule, MSC Cruises SA (“MSC” or “the Company”) does not allow minors to stay alone in a cabin MSC without the presence of at least one adult. “Minor” means any person under the age of 21 (on voyages that include a port in the USA) or 18 (on cruises that do not include a port in the USA).

However, minors aged under 18 years old can stay in a cabin by themselves if the following conditions are met:

- a. minor guests are travelling with only one parent or legal guardian;
- b. the parent or legal guardian expressly requests, when making the booking, that the minors are assigned a cabin without the presence of an adult and signs a waiver of liability;
- c. the number of minors travelling with the parent or legal guardian is between 2 and 4;
- d. the cabin is occupied by either 1 minor aged no less than 12 years old or 2 minors where the oldest is at least 12 years old and the youngest is at least 8 years old;
- e. the presence of more than 2 minors alone in the cabin is not allowed.

For the vessels MSC Lirica, Armonia, Sinfonia, Opera, Musica, Orchestra, Poesia, Magnifica, Fantasia, Splendida, Preziosa and Divina, the parent or legal guardian and the minors shall only be accommodated in connecting cabins, and the minor cabin’s balcony shall be locked.

For all the other vessels, the following additional requirements apply:

- the parent or legal guardian and the minor(s) shall be accommodated in connecting cabins with the minor cabin’s balcony being locked or in interior adjacent cabins; and
- the parent or legal guardian shall be required to purchase a bracelet to have access to the cabin occupied by the minor(s) at any time during the cruise.

For the purpose of this clause, “adjacent cabins” is defined as two cabins, at least one without a balcony, which have no more than 3 cabins between them, and that pertain to the same assembly station and corridor. “Connecting cabins” is defined as to cabins that are connected by an internal door.

For itineraries that include a U.S. port, guests aged between 18 and 20 years old whose booking includes a passenger of 21 years or older are allowed to stay in their cabin alone without the requirements indicated above.

6. Fitness to Travel Pregnancy, Medical Facilities

6.1 The safety of all Passengers is of paramount importance to MSC Cruises, hence all Passengers warrant that they are fit to travel by sea (and if applicable by air) and that their conduct or condition will not impair the safety or convenience of the vessel or aircraft and the other Passengers, and that they can be carried safely in accordance with applicable safety requirements established by International EU or national law.

6.2 Any Passenger with a condition that may affect fitness to travel taking into account the

vessel's itinerary must inform MSC Cruises at the time of Booking and submit a doctor's certificate prior to Booking.

In any case, MSC Cruises and/or the Carrier has the right to request, at their own discretion, the Passenger to produce medical certificates supporting the fitness to travel.

6.3 Pregnant women are requested to seek medical advice before travelling; at any stage of their pregnancy they must obtain a medical certificate from a doctor confirming their fitness to travel on board the vessel taking into account the specific itinerary.

6.4 MSC Cruises and/or the Carriers do not have on board any of the cruise vessels adequate medical facilities or equipment for childbirth. MSC Cruises cannot accept a Booking and the Carrier cannot carry any Passenger who will be 24 weeks pregnant or more by the end of the Cruise.

6.5 MSC Cruises and/or the Carrier expressly reserve the right to refuse boarding rights to any Passenger who appears to be in any advanced state of pregnancy or who does not provide the medical certificate according to clause 6.2 above and MSC Cruises and the Carrier shall have no liability in respect of such refusal.

6.6 In the case of a Booking made by a Passenger who was not aware at the time of Booking and could not have reasonably known at the time of Booking that she was pregnant over the terms provided by upper clause 6.4 then, MSC Cruises will offer the Passenger the choice of Booking another Cruise from the brochure and/or from the Official Website of equivalent quality compliant with the above mentioned terms, if available; or cancelling and receiving a full refund of the full price paid by that Passenger for any cancellation of Booking as long as such cancellation is notified immediately as soon as such a Passenger becomes aware of her condition. The refund will not include insurance premiums paid which are in no case refundable.

6.7 If it appears to MSC Cruises and/or the Carrier, the master or the ship's doctor that a Passenger is for any reason unfit to travel, likely to endanger safety, or likely to be refused permission to disembark at any port or likely to render the Carrier liable for maintenance, support or repatriation, then the master shall have the right to refuse to embark the Passenger at any port or disembark the Passenger at any port or transfer the Passenger to another berth or cabin. The doctor on-board shall have the right to administer first aid and any drug, therapy, or other medical treatment and/or to admit and/or confine the Passenger to the ship's hospital or other similar facility, if such measure is considered necessary by the doctor and is supported by the master's authority. Refusal by the Passenger to cooperate with regard to such treatment may result in the Passenger being disembarked at any port, if necessary through the intervention of local police officers or other competent authorities, and neither MSC Cruises nor the Carrier shall be liable for any loss, expense or compensation to the Passenger.

6.8 Where a Passenger is assessed as unfit to travel and refused embarkation then neither MSC Cruises nor the Carrier has any liability to the Passenger.

7. Disabled Passengers and Passengers with Reduced Mobility and Tender Safety

7.1 MSC Cruises' and the Carriers' priority is always the comfort and safety of its Passengers and in order to achieve this the Passenger is asked at the time of Booking to provide as much detail as possible of the matters given below so that MSC Cruises and the Carrier can consider its obligation to carry the Passenger in a safe or operationally feasible manner, taking into account any issues relating to the design of the passenger ship or port infrastructure and equipment including port terminals which may make it impossible to carry out the embarkation, disembarkation or carriage of the Passenger which may have an impact on the Passengers safety and comfort.

7.2 The Passenger is asked to provide full details at the time of Booking if the Passenger:

7.2.1 Is unwell, infirm, has a disability or has Reduced Mobility;

7.2.2 If the Passenger requires a special Disabled cabin, since there is a limited number of these available and since MSC Cruises would like to, wherever possible, accommodate the Passenger so that the Passenger is comfortable and safe for the duration of the Cruise;

7.2.3 If the Passenger has any special seating requirements;

7.2.4 If the Passenger needs to bring any medical equipment on board;

7.2.5 If the Passenger needs to bring a recognised assistance dog on board the vessel (please note that assistance dogs are subject to national regulations).

7.3 Where MSC Cruises and/or the Carrier consider strictly necessary for the safety and comfort of the Passenger and in order for the Passenger to fully enjoy the Cruise, it may require a Passenger with reduced ability or a Passenger with Reduced Mobility to be accompanied by another person who is capable of providing the assistance required by the Disabled Passenger or Passenger with Reduced Mobility. This requirement will be based entirely on MSC Cruises and/or the Carrier assessing the need of the Passenger on grounds of safety and may vary from vessel to vessel and/or itinerary to itinerary. Passengers confined to a wheelchair are asked to kindly furnish their own standard size collapsible wheelchair during the whole Holiday Package and might also be requested to be accompanied by a travelling Passenger fit and able to assist them.

7.4 If the Passenger has any particular condition, Disability or Reduced Mobility which require personal care or supervision then such personal care or supervision must be organized by the Passenger and at the Passenger's expense. The vessel is unable to provide respite services, one-to-one personal care or supervision or any other form of care for physical or psychiatric or other conditions.

7.5 If after careful assessing the Passenger's specific needs and requirements, MSC Cruises and/or the Carrier concludes that the Passenger cannot be carried safely and in accordance with applicable safety requirements then MSC Cruises can refuse to accept a Booking or embarkation of a Disabled Passenger or Passenger with Reduced Mobility on the grounds of safety.

7.6 MSC Cruises reserves the right to refuse to carry any Passenger who has failed to adequately notify it of any disabilities or needs for assistance in order for MSC Cruises and/or the Carrier to make an informed assessment that the Passenger can be carried in a safe or operationally feasible manner on the grounds of safety. If the Passenger does not agree with a decision of MSC Cruises under clauses 7.5 to 7.6 of these Booking Terms & Conditions then the Passenger must provide a complaint in writing with all supporting evidence to MSC Cruises.

7.7 MSC Cruises reserves the right to refuse to carry any Passenger who in the opinion of MSC Cruises and/or the Carrier is unfit for travel or whose condition may constitute a danger to themselves or others on the Cruise on the grounds of safety.

7.8 For the safety and comfort of the Passenger, if the Passenger becomes aware between the date of Booking the Holiday Package and the date of commencement of the Holiday Package that he/she will require special care or assistance as detailed above, the Passenger is asked to inform MSC Cruises immediately so that MSC Cruises and the Carrier can make an informed assessment whether or not the Passenger can be carried in a safe or operationally feasible manner.

7.9 Disabled Passengers or Passengers with Reduced Mobility may not be able to go ashore at ports where vessels do not berth alongside. A list of these ports is available upon written request.

7.10 In some ports, it is necessary to anchor offshore rather than alongside. When this is the case, the Carrier will use a tender to take Passengers ashore. A tender is a small vessel and may not be suitable for people with Disabilities or Reduced Mobility or balance problems. When using tenders, safety is the utmost priority. It is important that Passengers are able to use the tender safely. Passengers may be required to descend to a platform or pontoon and into the tender. There may be steps both up and down and Passengers may need to navigate a gap between the platform and the tender (which can be approximately 1.5ft). Depending on weather, tide and sea conditions, there may be some movement, which could change throughout the course of the day. Passengers must be fit and mobile enough to access and disembark the tender. If Passengers have impaired mobility, or use a mobility aid such as a stick, then they must carefully consider their ability to embark the tender safely before making their way down to the platform. Passengers must take into consideration the use of steps, the possibility of a gap and height difference between the platform and the tender, and the potential sudden movement of the tender when making a decision. Wheelchairs and mobility scooters will not be carried by the crew into the tender. All Passengers must be independently mobile enough to use the tenders. Ultimately, carriage by tender may be refused by the master or any of his officers if there is any doubt as to the safety of any Passenger.

All Passengers must take extra care when stepping on and off the tender. There will be crew members there to guide and steady Passengers as they embark and disembark but they cannot support, lift or carry Passengers. The same precautions apply when Passengers disembark the tender in the port.

8. Public Health Questionnaire

8.1 MSC Cruises and/or the Carrier and/or the health authorities in any port shall be entitled to administer a public health questionnaire on their own behalf. In addition to any Health and Safety measures that MSC Cruises may adopt, the Passenger shall supply accurate information regarding symptoms of any illness including but not limited to gastrointestinal illness, and H1N1, and COVID-19. The Carrier may deny boarding to any Passenger that it considers in its sole discretion to have symptoms of any illness including viral or bacterial illness including but not limited to Norovirus, H1N1, and COVID-19. Refusal by a Passenger to complete the questionnaire may result in denied boarding.

8.2 Where Passengers become ill during the Cruise with viral or bacterial illness the ship's doctor may request them to remain in their cabin for reasons of safety. Passengers must follow

the instructions of the Carrier and refusal to do so may result in disembarkation without any liability for damages or a refund on MSC Cruises or the Carrier.

9. Food Allergies

9.1 Passengers are reminded that some foods may cause an allergic reaction in certain people due to intolerance to some ingredients. If the Passenger has any known allergies, or is intolerant to any food, he/she is required to inform MSC Cruises at the time of Booking (by duly filling in a specific form) and further to report it to the Maître d'hôtel as soon as convenient after boarding the ship.

9.2 It is the responsibility of the Passenger to ensure that he/she actively avoids any food he/she is allergic to. MSC Cruises will take all reasonable care if made aware in writing of any specific food or ingredient the Passenger has an allergic reaction to and assist the Passenger within reason to avoid any such food or ingredients if made aware by the Passenger according to clause 9.1 above; in absence of such information neither MSC Cruises nor the Carrier will be held responsible for preparing special meals for the Passenger or any other prepared meals consumed by the Passenger. In case of multiple allergies/intolerances, even though informed according hereto, MSC Cruises or the Carrier might not be able to avoid the risk of cross-contamination during food preparation and therefore neither MSC Cruises nor the Carrier will be held responsible if such contamination occurs.

10. Medical Assistance

10.1 Passengers are strongly recommended to have comprehensive travel health insurance covering medical treatment and repatriation costs and expenses.

10.2 In compliance with Flag State requirements, there is a qualified doctor on-board and a medical centre equipped for first aid and minor conditions only. The Passenger hereby acknowledges and accepts at the time of Booking that the medical centre is not equipped as a land-based hospital and the doctor is not a specialist. Neither MSC Cruises, nor the Carrier, nor the doctor shall be liable to the Passenger as a result of any inability to treat any medical condition as a result.

10.3 The Passenger acknowledges that whilst there is a qualified doctor on-board the vessel, it is the Passenger's obligation and responsibility to seek medical assistance if necessary during the Cruise and will be responsible to pay for on-board medical services.

10.4 In the event of illness or accident, Passengers may have to be landed ashore by the Carrier and/or the master for medical treatment. Neither the Carrier nor MSC Cruises make any representation or accept any responsibility regarding the quality of the available medical facilities or treatments at any port of call or at the place at which the Passenger is landed. Medical facilities and standards vary from port to port. Neither MSC Cruises nor the Carrier makes any representations or warranties in relation to the standard of medical treatment ashore.

10.5 The doctor's professional opinion as to the fitness of the Passenger to board the vessel or to continue the Cruise is final and binding on the Passenger.

10.6 It is recommended that medical advice is sought before Booking for children up to 12 months of age. For the avoidance of doubt the provisions of clause 6 and the requirement of fitness to travel is applicable to all Passengers including infants.

11. Medical Equipment

11.1 It is important that Passengers contact the manufacturer or supplier to ensure that any medical equipment they are intending to bring on board is safe to use. It is the responsibility of the Passengers to arrange delivery to the docks prior to departure of all medical equipment and to notify MSC Cruises prior to Booking if they need to have medical equipment on board so that MSC Cruises and the Carrier can ensure that the medical equipment can be carried safely.

11.2 It is the Passengers responsibility to ensure that all medical equipment is in good working order and for arranging enough equipment and supplies to last the entire voyage. The ship does not carry any replacement and access to shore side care and equipment may be difficult and expensive. Passengers must be able to operate all equipment.

12. Booking Changes requested by the Passenger

12.1 The Passenger is entitled to transfer his/her Booking to a third party, provided that:

- (i) said third party satisfies all the conditions for the use of the Contract; and
- (ii) written notice is duly sent to MSC Cruises no later than 7 working days before departure of the Cruise.

If the conditions stated above in this clause are met, the name change will in any case be subject to a fee of £50 per change, reflecting the costs for the Company of effectuating the transfer, see clause 12.3 below. Name changes requested within 7 days of the departure will be considered as cancellation.

The Passenger and the third party contract assignee shall be jointly liable to MSC Cruises to pay the price of the Contract and any additional cost that may arise as a consequence of the change in Passenger.

12.2 Furthermore, even after the confirmation invoice has been issued, the Passenger is also entitled to exchange, once only, the purchased Holiday Package ("Original Holiday Package") with another Holiday Package ("New Holiday Package") on the following conditions:

- i. the date of departure of the New Holiday Package is later than that of the Original Holiday Package;
- ii. the request for the substitution of the New Holiday Package in place of the Original Holiday Package is received by MSC Cruises not later than 30 calendar days before the date of the scheduled departure of the Original Holiday Package and there is availability of spaces on the New Holiday Package;
- iii. the expected date of departure of the New Holiday Package falls within 90 calendar days from the expected date of departure of the Original Holiday Package.

If the conditions stated above in this clause are met, the substitution of the Original Holiday Package with the New Holiday Package will in any case be subject to the following administration fee per Passenger:

BELLA: £50 per person

FANTASTICA, AUREA, YACHT CLUB: One Free of Charge*

WORLD CRUISE: Loss of deposit equal to 15% of holiday package as per section 12.8

*Any change to a date that is more than 90 calendar days from the original departure date will result in a fee of £50 per person, applicable to all experiences.

Any subsequent departure date change will result in a fee of £50 per person.

It is understood that, in addition to the administration fee mentioned above, if the price of the New Holiday Package is higher than that of the Original Holiday Package, the difference in price as well as in insurance premium will be borne exclusively by the Passenger.

On the other hand if the price of the New Holiday Package is lower than that of the Original Holiday Package, no reimbursement will be due to the Passenger.

In case of substitution of the Original Holiday Package with the New Holiday Package, the Passenger will still be entitled to withdraw from the Contract and therefore cancellation fees will apply; cancellation fees will be based on the price due (as per above provisions) and the scale provided under clause 13 (Cancellation by the Passenger) according to the Original Holiday Package departure date.

MSC Cruises will make reasonable endeavours to comply with the Passenger requests for changes to flight, transport or other services arrangements and adapt them to the New Holiday Package. In no case whatsoever will MSC Cruises be held liable for change requests that cannot be satisfied.

12.3 Name or date changes are not always allowed by air Carriers and other transport or services providers whenever they are made. Most air Carriers and other transport or services providers treat such changes as a cancellation and charge accordingly. Any additional costs including cancellations fees and/or increased prices levied by air Carriers or other third-party providers will be exclusively for the Passenger's account and be charged as a part of the additional cost mentioned in clause 12.1(ii) above.

12.4 Save as provided above, other changes to the Booking may be requested (even after the confirmation invoice has been issued) until 63 days prior to departure, subject to a minimum administration fee of £25.00 per person per amendment. Any additional costs that may arise as a consequence of the change will be exclusively for the Passenger's account.

12.5 Requests of amendments to the Booking received by MSC Cruises beyond the above time limits will be treated as cancellations and the cancellation charges detailed in clause 13 below will apply.

12.6 Any changes requested by the Passenger on a Combined Tour shall always apply to the whole Holiday Package. All the relevant time limits run from the scheduled date of departure of the first Cruise of the Combined Tour.

12.7 Any change request related to the World Cruise shall be permitted exclusively for another World Cruise and, in such case, will trigger the loss of the non-refundable deposit equal to 15% of the price of the Package paid by the passenger

13. Cancellation by the Passenger

13.1 Cancellation of the Booking must be requested in writing (email) to MSC Cruises or via the Passenger's Agent. All tickets issued and the confirmation invoice must be returned together after the notice of cancellation. The cancellation notice must be sent to MSC Cruises at least one working day before departure within 3pm GMT.

Cancellations done after the above deadline or on the departure date would be treated as "no show" with 100% cancellation charges applicability.

13.2 Save for what is set forth in clause 13.3 below, to cover the estimated loss incurred by cancellation, MSC Cruises will levy cancellation charges in accordance with the following scale:

13.3 In case a cabin remains for single use after the cancellation of a Passenger, the Passenger occupying the cabin for single use will be asked to pay a single surcharge charged by MSC Cruises for any single cabin Booking. Alternatively, should the remaining single passenger opt to cancel the Booking, the latter will pay the cancellation charges in accordance with clause 13.2 in addition to the insurance premium.

13.4 It may be possible for the Passenger to claim these cancellation charges from his/her travel insurance provider, subject to any applicable deductibles. It is the Passenger's responsibility to make such a claim under the terms of his/her insurance policy.

13.5 The Passenger may request the cancellation of a Combined Tour, but such a cancellation shall always apply to the whole Holiday Package. All the relevant time limits run from the scheduled date of departure of the first Cruise of the Combined Tour

13.6 The Passenger will not be liable to pay the fees mentioned in clause 13.2 and 13.3 above if the cancellation is due to Unavoidable and Extraordinary Circumstances occurring at the place of destination or its immediate vicinity and significantly affecting the performance of the package, or which significantly affect the carriage of passengers to the destination.

14. Booking Changes Effected by the Company

14.1 Arrangements for the Travel Service(s) and Holiday Packages are made many months in advance. Very occasionally it may be necessary to alter them; therefore, MSC Cruises expressly reserves the right to change the arrangements for the Contract should such changes become necessary or advisable for operational, commercial or safety reasons.

14.2 MSC Cruises has the right to assign another cabin for the Passenger, as long as it has similar characteristics. If there is a change in accommodation to a lower-priced cabin, the Passengers affected by such change will be entitled to a refund of the price difference, according to the current rates.

14.3 Most changes are minor but occasionally MSC Cruises must make a significant change. The following are examples of significant changes when made before you go on the Cruise: A change in the time Passengers are due to leave the UK to go on the Cruise or the time Passengers are due to come back to the UK after the Cruise of more than 12 hours. A change of UK airport from the Passengers were due to fly to or from, except where the change is between London airports (Heathrow, Gatwick, Stansted, London City or Luton) or where the new airport is within 50 miles of the original airport. A change of cabin accommodation to a significantly lesser grade. A significant change to the itinerary. i.e. when the itinerary has to be changed by more than 50% and may have to exclude an iconic highlight. All changes which are not significant are treated as minor changes and therefore there is no right to cancel or to claim compensation. Please note: MSC Cruises do not classify a change of air or sea port as a significant change where coach transfers between a UK town and the relevant air/sea port are included in the holiday. A change of flight from direct to indirect is not classified as a significant change. In the event of a significant alteration to an essential term of the Contract, MSC Cruises will inform the Passenger

or his/her Agent of such change in writing as soon as reasonably possible. If there is time to do so before departure, we will offer you the choice of one of the following

- a) Accepting the alteration; or
- b) Making another Booking from the brochure and/or from the Official Website of equivalent or superior quality, if available; or
- c) Making another Booking from the brochure and/or from the Official Website of lower quality, if available, with a refund of the difference in price; or
- d) Cancelling and receiving a full refund of all monies paid.

14.4 Passengers must notify MSC Cruises of their decision in writing or via their Agent within 7 days of receiving the notification of alteration or the period indicated. A failure to revert within this period will result in the alteration being accepted and any cancellations after this period shall attract cancellation charges in accordance with clause 13.2.

14.5 If MSC Cruises has to make a significant change or cancel before departure, MSC Cruises, where compensation is appropriate, will reimburse of all monies paid to MSC Cruises as set out in clause 15.1 depending on the circumstances and when the significant change or cancellation is notified to the Passenger, subject to the following exceptions listed below, compensation will not be payable and no liability beyond offering the above mentioned choices can be accepted where MSC Cruises is forced to make a change or cancel as a result of unusual or unforeseeable circumstances beyond our control, the consequences of which MSC Cruises could not have avoided with all due care .

14.6 No compensation is payable for minor changes and MSC Cruises cannot accept liability for expenses that may be incurred if Passengers have to change or cancel any arrangements they might have made before the minor change was notified to them before departure.

14.7 Very rarely, MSC Cruises may be forced to change or terminate a Cruise (or Holiday Package) after departure but before the scheduled end of the Cruise (or Holiday Package) as a result of Unavoidable and Extraordinary Circumstances. In particular, when unexpected events such as extreme weather, civil strife or other Force Majeure events occur, MSC Cruises may be required to act to protect the safety of its Passengers. This may require MSC Cruises to either make substantial alterations to an itinerary, or in extreme cases make urgent arrangements to repatriate customers to the United Kingdom or the port where the Cruise was scheduled to end. If this situation does occur, MSC Cruises regrets it will be unable to pay Passengers any compensation or meet any costs or expenses incurred by Passengers as a result.

14.8 If, after departure, MSC Cruises is unable to provide a significant proportion of the services it agreed to provide as part of its Contract with Passengers, MSC Cruises will do their very best to make suitable alternative arrangements for the services which have not been provided. If MSC Cruises cannot do so or Passengers refuse to accept these for good reasons, MSC Cruises will

arrange to fly Passengers back to their UK departure airport (if the arrangements MSC Cruises agreed to provide included UK flights) or to transport Passengers to the final disembarkation port as soon as reasonably possible.

14.9 In some circumstances, Passengers may be entitled to the difference in price between the Cruise contracted for and that provided. Refunds will be made for shore excursions not performed.

14.10 Passengers also have rights in certain circumstances which includes refunds and transportation. The circumstances in which these rights apply and the rights are set out in the Passenger Bill of Rights which is on our website. Once a Holiday Package has been completed, and it is impossible to ensure the Passenger's return to their departure point as agreed in the Contract because of Unavoidable and Extraordinary Circumstances, MSC Cruises shall bear the cost of necessary accommodation, if possible of equivalent category, for a period not exceeding three nights per traveller. Where longer periods are provided for in EU passenger rights legislation applicable to the relevant means of transport for the traveller's return, those periods shall apply.

15. Cancellation by MSC Cruises

15.1 MSC Cruises reserves the right to cancel any Contract at any time by giving written notice to the Passenger but shall not be liable for additional compensation, if:

- (i) the cancellation is due to an event of Unavoidable and Extraordinary Circumstances and/or any unusual /or unforeseeable circumstances beyond MSC Cruises' control, the consequences of which could not have been avoided by MSC Cruises even though it has exercised all due care;
- (ii) the number of persons enrolled for the Holiday Package is smaller than the 50% of the passenger capacity of the relevant ship.

In both cases above, MSC Cruises will offer the Passenger the choice of:

- a) Receiving a full refund of all money paid; or
- b) Booking another Contract from the brochure and/or from the Official Website of equivalent or superior quality at no extra cost, if available; or
- c) Booking another Contract from the brochure and/or from the Official Website of lower quality, if available, with a refund of the difference in price.

15.2 The Passenger's decision must be notified to MSC Cruises in writing or via their Sales Agent within 7 days of the notice of cancellation or otherwise instructed by MSC Cruises' communication.

15.3 Without prejudice to the above, MSC Cruises reserves the right to reject or cancel new Bookings made by or on behalf of former Passengers who, during a previous Holiday Package:

- a) behaved dangerously for their safety and/or the one of other Passengers and/or crew members;
- b) damaged and/or endangered MSC Cruises' assets;
- c) did not solve outstanding debts with the MSC Cruises;
- d) violated art. 18 of the present Booking Terms & Conditions.

The Passenger will be informed of the rejection or cancellation made under the present article in writing.

16. The Liability of MSC Cruises and the Company

16.1 Subject to clauses 16.3 to 16.8 MSC Cruises accepts responsibility for death, injury or illness caused by the negligent acts and or omissions of them and anyone who supplies services, which form part of the Contract. The liability of MSC Cruises is limited, where applicable, by the conventions mentioned in 16.4 to 16.14 inclusive. The liability of MSC Cruises toward the Passenger is governed also by the International Conventions mentioned hereunder (see clauses 16.4 to 16.14 which provide limitations of liability of the Carrier. MSC Cruises are not responsible for any improper or non-performance which is:

- a) wholly attributable to the fault of the Passenger.
- b) the unforeseeable or unavoidable act or omission of a third party unconnected with the supply of any service to be provided under the Contract;
- c) an unusual or unforeseeable circumstance beyond the control of MSC Cruises and/or anyone who supplies services which form part of the Contract the consequences of which could not have been avoided even if all due care had been exercised, including (but not limited to) an event of Unavoidable and Extraordinary Circumstances ; or
- d) an event which MSC Cruises and/or anyone who supplies services which form part of the Contract could not even with all due care have foreseen or forestalled.

16.2 For claims not involving personal injury, death or illness or which are not subject to the conventions referred to in clause 16.4 to 16.14 inclusive, MSC Cruises' liability for improper performance of the Contract shall be limited to a maximum of three times the price which the affected Passenger paid for the Contract (not including insurance premiums and amendment charges).

16.3 All carriage (by land, air and sea) is subject to the Conditions of Carriage of the actual Carrier. These may limit or exclude liability. They are expressly incorporated into these Booking Terms & Conditions and are deemed to be expressly accepted by the Passenger at the time of Booking. Copies of these terms and conditions are available on request from MSC Cruises.

16.4 Carriage of Passengers and their luggage by air is governed by various International conventions (“the International Air Conventions”), including the Warsaw Convention 1929 (as amended by The Hague Protocol 1955 or the Montreal Protocol 1999 or otherwise) or the Montreal Convention 1999. To the extent that MSC Cruises may be liable as a non-performing air Carrier to Passengers in respect of carriage by air, the terms of the International Air Conventions (including any subsequent amendments and any new convention which may be applicable to a Contract between MSC Cruises and a Passenger) are expressly incorporated into these Booking Terms & Conditions and in the Conditions of Carriage. The International Air Conventions fix limitations of liability of the Carrier for death and personal injury, loss of and damage to luggage and delay. Any liability of MSC Cruises toward the Passenger arising from a carriage by air is subject to the limitation of liability provided by said Conventions. Copies of these conventions are available upon request.

16.5 Insofar as MSC Cruises may be liable to a Passenger in respect of claims arising out of carriage by air, land or sea, MSC Cruises shall be entitled to all the rights, defences, immunities and limitations available, respectively, to the actual Carriers (including his own terms and Conditions of Carriage) and under all the applicable regulations and/or conventions, such as the Athens Convention, the Montreal Convention and nothing in these Booking Terms & Conditions nor in the Conditions of Carriage shall be deemed as a waiver thereof. If any term, condition, section or provision becomes invalid or be so judged, the remaining terms, conditions, sections and provisions shall be deemed severable and shall remain in force.

16.6 The liability (if any) of MSC Cruises and the Carrier for damages suffered as a result of death or personal injury to the Passenger, or loss or damage to luggage shall be determined in accordance with the following:

16.7 In relation to Carriage by Sea EU Regulation 392/2009 Concerning the Rights of Passengers when travelling by sea in the event of Accidents (EU Regulation 392/2009), shall apply to international carriage by sea where the port of embarkation or disembarkation is in the EU or where the vessel has an EU flag or where the contract of carriage is made in the EU.

A copy of EU Regulation 392/2009 is available on request and can be downloaded from the Internet at:

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/2724/annex-b-reg-ec-392-2009.pdf.

A summary of EU Regulation 392/2009 can be found at:

<http://ec.europa.eu/transport/themes/passengers/maritime/doc/rights-in-case-of-accident.pdf>

Where the vessel is being used as floating accommodation then the provisions of the Athens Convention 1974 and the limits therein will apply and are hereby expressly incorporated into these Booking Conditions including any claims for loss of or damage to luggage and or death and or personal injury.

16.8 The level of damages MSC Cruises and the Carrier may be liable to pay in relation to death and/or personal injury and or loss of or damage to Luggage is limited and shall in no circumstances whatsoever exceed the limits of liability set out in EU Regulation 392/2009, or where applicable Athens Convention 1974.

16.9 The liability of MSC Cruises and the Carrier for death, personal injury or illness to the Passenger shall not exceed 46.666 Special Drawing Rights ("SDR") as provided and defined in the Athens Convention 1974 or, where applicable, the maximum sum of 400,000 SDR pursuant to EU Regulation 392/2009 or the Athens Convention 2002 and, where there is liability for war and terrorism under EU Regulation 392/2009 or the Athens Convention 2002, 250.000 SDR. Liability of MSC Cruises and the Carrier for loss of or damage to Passenger's luggage or other property shall not exceed 833 SDR per Passenger under the Athens Convention 1974 or 2,250 SDR where EU Regulation 392/2009 or the Athens Convention 2002 applies. It is agreed that such liability of MSC Cruises and the Carrier shall be subject to the applicable deductibles per Passenger, such sum to be deducted from the loss or damage to luggage or other property. The Passenger understands that the conversion rate of SDR's fluctuates daily and may be obtained from a bank or Internet. The value of an SDR can be calculated by visiting http://www.imf.org/external/np/fin/data/rms_five.aspx.

16.10 It is presumed under the Athens Convention 1974 and where applicable the Athens Convention 2002 or EU Regulation 392/2009 that the Carrier has delivered Luggage to a Passenger unless written notice is given by the Passenger within the following periods:

- (i) in the case of apparent damage before or at the time of disembarkation or redelivery
- (ii) in the case of damage which is not apparent or loss of Luggage within fifteen days from the disembarkation or delivery or of the date that such delivery should have taken place.

16.11 If the carriage provided hereunder is not "international carriage" as defined in Article 2 of EU Regulation 392/2009 or the vessel is being used as a floating hotel and or domestic carriage by sea in the UK, the provisions of the Athens Convention 1974 shall apply to these Booking Terms & Conditions and be deemed to be incorporated herein mutatis mutandis.

16.12 MSC Cruises shall not be liable for loss or damage to any valuables such as monies, negotiable securities, precious metal items, jewellery, art, cameras, computers, electronic equipment, or any other valuables unless they are deposited with the Carrier for safe-keeping, and a higher limit is agreed expressly and in writing at the time of deposit, and an extra charge is paid by the Passenger for declared value protection. Use of the ship's safe is not a deposit with the ship. Where there is liability for loss of or damage to valuables deposited with the ship then such liability is limited to 1,200 SDR under the Athens Convention 1974 or 3,375 SDR where EU Regulation 392/2009 or the Athens Convention 2002 applies.

16.13 MSC Cruises and the Carrier shall have the full benefit of any applicable laws providing for limitation and/or exoneration of liability (including without limitation, law and/or the laws of the vessel's flag in respect of/or the global limitation on damages recoverable from the Carrier). Nothing in these Booking Terms & Conditions is intended to operate to limit or deprive MSC Cruises and the Carrier of any such statutory or otherwise limitation or exoneration or liability. The servant and/or agents of MSC Cruises and the Carrier shall have the full benefit of all such provisions relating to the limitation of liability.

16.14 Without prejudice to the provisions of 16.7 to 16.13 above, if any claim is brought against MSC Cruises and Carrier in any jurisdiction where the applicable exemptions and limitations incorporated in these Booking Terms & Conditions are held to be legally unenforceable then MSC Cruises and the Carrier shall not be liable for death, injury, illness, damage, delay or other loss or detriment to any person or property arising out of any cause of whatsoever nature which has not been shown to have been caused by MSC Cruises and Carrier's own negligence or fault.

16.15 Notwithstanding anything to the contrary elsewhere in these Booking Terms & Conditions, MSC Cruises shall not in any circumstances be liable for any loss or anticipated loss of profits, loss of revenue, loss of use, loss of contract or other opportunity nor for any other consequential or indirect loss or damage of a similar nature.

16.16 The liability of MSC Cruises is excluded for claims arising out of loss or damage directly or indirectly occasioned by circumstances where performance and/or prompt performance of the Contract is prevented by reason of war, or threat of war, riot, civil strike, industrial dispute whether by MSC Cruises' employees or others, terrorist activity or the threat of terrorist activity, failure of power supplies, health risks or epidemics natural or nuclear disaster, fire or adverse weather conditions or adverse sea states, Passenger's suicide or attempted suicide or the Passenger's deliberate exposure to unnecessary danger (except in an attempt to save human life), or the consequences of participating in an unusual and dangerous activity and any other circumstance of any nature whatsoever outside MSC Cruises' control.

16.17 Where MSC Cruises has any legal liability for loss of or damage to property otherwise than in accordance with the Athens and/or Montreal Conventions then its liability shall not at any time exceed £500,00 (in aggregate) and MSC Cruises shall not at any time be liable for money or valuables. Passengers must not pack money or other valuables in their luggage.

16.18 MSC Cruises' liability will not at any time exceed that of any Carrier under its Conditions of Carriage and/or applicable or incorporated conventions. Any damages payable by MSC Cruises shall be reduced in proportion to any contributory negligence by the Passenger.

17. Itinerary / Right to Change

17.1 MSC Cruises reserves the right at its sole discretion and/or that of the master of any vessel (which will not be exercised unreasonably) to decide whether to deviate from the advertised or ordinary itinerary, to delay or anticipate any sailing, to omit or change scheduled ports of call, to arrange for substantially equivalent carriage by another vessel, to tow or be towed or assist other vessels or to perform any similar act which, in its and/or master's sole discretion will deem advisable or necessary for the safety, of the Passenger, of the vessel and crew. In such circumstances neither MSC Cruises nor the Carrier will be under any liability or obligation to the Passenger.

18. Passenger's Responsibility

18.1 The Passenger has a duty to follow the instructions and orders of the master and officers while on-board. The Passenger hereby accepts and agrees that the master and officers are entitled and have authority to inspect any person on board, any cabin, baggage and belonging for safety, security or other lawful reasons.

18.2 The Passenger hereby expressly agrees to allow any such search.

18.3 Passengers must have received all necessary medical inoculations prior to the Cruise and have in their possession all tickets, valid passports, visas, medical cards and any other documents necessary for the scheduled ports of call and disembarkation.

18.4 Each Passenger warrants that he/she is physically and mentally fit to undertake the Cruise.

18.5 The Carrier and/or the master have the right of refusing the boarding or order the disembarkation of any Passenger should they deem it necessary, for the safety, security, of the Passenger, of the other Passengers or of the ship or should the Passenger's conduct which, in the reasonable opinion of the master, is likely to endanger or impair the comfort and enjoyment of other Passengers on-board.

18.6 No Passenger shall bring any animals whatsoever, except for recognized service dogs, subject to clause 7 above.

18.7 MSC Cruises and/or the Carrier will be under no liability whatsoever to any Passenger in respect of any breach or non-observance by any Passenger of the provisions of this clause and

any Passenger shall indemnify the Carrier and MSC Cruises against any loss or damage occasioned to the Carrier, MSC Cruises or any of its suppliers by such breach or non-observance.

18.8 Passenger's behaviour must not affect and reduce the safety, peace and enjoyment of the Cruise by other Passengers.

18.9 It is strictly forbidden for Passengers to carry firearms, ammunition, explosives or flammable, toxic or dangerous substances, goods or articles on-board any vessel which could be dangerous for the safety of Passengers and the Vessels.

18.10 Passengers shall be liable for any damage suffered by MSC Cruises and/or the Carrier and/or any supplier of any service that forms part of the Contract as a result of the Passenger's failure to comply with his/her contractual obligations. In particular, the Passenger shall be liable for all damages caused to the vessel or its furnishings and equipment, for injury or loss to other Passengers and third parties, and also for all penalties, fines and expenses attributable by the Passenger that MSC Cruises, the Carrier or supplier may be liable to pay.

18.11 Passengers are not allowed to sell and/or purchase from other Passengers or travel operators on board the ship any type of commercial services – including but not limited to shore excursions – which are not officially offered by MSC Cruises or its agreed independent contractors.

19. Flights

19.1 MSC Cruises are unable to state the identity of the carrying airline or the aircraft type. All flights will be operated on scheduled or chartered services of recognized air Carriers. In those circumstances, the air ticket payment needs to be made by MSC Cruises in advance and is normally not refunded by the air Carrier. Any cancellation by the Passenger at any time will result in the air fare cost being payable by that Passenger regardless of the cancellation provisions with regard to the Cruise.

19.2 The Passenger will receive confirmation of flight timings and routes with their travel documents, which will be sent out approximately 7 days before departure.

19.3 For travel on dates other than those published in the brochure and/or in the Official Website or on a particular Carrier or routing a higher fare may apply in which case the Passenger will be notified before Booking.

19.4 MSC Cruises is not the air Carrier or an operating air Carrier as defined by Regulation (EC) No 261/2004 (the “Regulation 261/2004”) The obligations under the Regulation 261/2004 for compensation are exclusively those of the air Carrier and/or operating air Carrier and all claims relating to cancellation, delay or denied boarding in respect of air transportation must therefore be made to the relevant air Carrier.

19.5 MSC Cruises shall have no liability under the Regulation 261/2004 such liabilities being entirely those of the air Carrier to whom the Passenger must address all claims. In exercising their rights under the Regulation 261/2004 the Passenger must seek to take as much of the Contract as possible and must not prejudice MSC Cruises’ rights under these Booking Terms & Conditions or in law.

19.6 Where air carriage is included in the Holiday Package, MSC Cruises will advise Passengers of flight timings from data supplied by the air Carrier as part of the holiday documentation. It is the Passenger’s responsibility to ensure arrival at the airport in sufficient time to check in and board the aircraft. Passengers must note that not all medical equipment can be carried or used onboard aircraft. Passengers must check with the airline prior to carriage.

19.7 If the Holiday Package does not include flights, it is the Passenger’s responsibility to obtain a valid ticket directly from an air Carrier suitable for and in time for travel to the vessel (and including local transfers which the Passenger must arrange), as necessary. MSC Cruises shall not be responsible for any liabilities arising in respect of flights or transfers arranged by the Passenger.

20. Complaints

20.1 Any Passenger with a complaint whilst on a Cruise must bring it to the attention of the Cruise staff on-board as soon as possible. If the Cruise staff is unable to resolve the problem, any complaint must be notified in writing to MSC Cruises within 28 days of the termination of the Cruise. Failure to report the complaint within this time may adversely affect MSC Cruises’ ability to deal with it. No claims for illness will be accepted unless the Passenger has reported the illness to the Carrier and has been seen by the ship’s doctor. Complaints relating to any other part of the Contract must be made promptly to MSC Cruises or the supplier quoting your booking reference number. Any complaint concerning your holiday will be dealt with carefully and fairly by our staff. Once your complaint has been fully investigated in accordance with this procedure we will inform you of the outcome. If the complaint is upheld, then any compensation that may be awarded would be subject to our compensation terms and conditions. To submit your complaint in writing, please send an email to customerservice@msccruises.co.uk and our team will look into this matter further.

20.2 Notices of claim for loss or damage to luggage or other property shall be given to the Carrier in writing before or at the time of disembarkation, or if not apparent, within fifteen (15) days from the date of disembarkation

20.3 Complaints under EU Regulation. 1177/2010 concerning accessibility, cancellation or delays must be made to MSC Cruises within two (2) months from the date the service was performed. The Carrier shall respond within 1 month to advise whether the complaint is substantiated, has been rejected or is still being considered. A final reply shall be provided within two (2) months. The Passenger shall provide such further information as may be required by MSC Cruises to deal with the complaint. If the Passenger is not satisfied with the response, then it may complain to the relevant enforcement body in the country of embarkation.

See:

http://ec.europa.eu/transport/sites/transport/files/themes/passengers/maritime/doc/2010_1177_national_enforcement_bodies.pdf.

For Ex-UK Cruises a complaint must be made to the voluntary complaints authority before a complaint can be made to the Maritime and Coastguard Agency (“MCA”) which is the enforcement authority. MSC Cruises will advise you of the relevant voluntary complaints handling body in its letter dealing with your complaint.

20.4 We are a member of ABTA, membership number (Y1379). We are obliged to maintain a high standard of service to you by ABTA’s Code of Conduct. We can also offer you ABTA’s scheme for the resolution of disputes arising out of, or in connection with this contract which is approved by the Chartered Trading Standards Institute. The scheme is a simple and inexpensive method of arbitration on documents alone with restricted liability on you for costs. The upper limit on claims is £5,000 per person and £25,000 per booking form. If we can’t resolve your complaint, go to www.abta.com to use ABTA’s simple procedure. Further information on the Code and ABTA’s assistance in resolving disputes can be found on www.abta.com. You can also access the European Commission Online Dispute (ODR) Resolution platform at <http://ec.europa.eu/consumers/odr/>. This ODR platform is a means of registering your complaint with us; it will not determine how your complaint should be resolved.

21. Consumer protection

21.1 MSC Cruises is a member of the Association of British Travel Agents (ABTA) and its consumer protection scheme and is bonded accordingly for all Holiday Packages sold in the UK.

21.2 MSC Cruises complies with the bonding requirements of the Civil Aviation Authority, CAA licence number 11600, which protects all of its Holiday Packages sold with flights. As of 1st November 2009, the Air Passenger Duty, which is payable by all Passengers departing from

UK airports, is included in the price of the Holiday Package. In the unlikely event of MSC Cruises' insolvency the Civil Aviation Authority will ensure that Passengers are not stranded abroad and will arrange to refund any money paid to MSC Cruises for an advance booking. For further information visit the ATOL website at www.atol.org.uk. Please note that all monies paid by the Passengers to their Travel Agent are held by the Travel Agent as agent for MSC Cruises, after confirmation of the booking by MSC Cruises. Under these schemes the Passenger's money is protected in the unlikely event that MSC Cruises should cease to trade and the same scheme provides for the Passenger's repatriation in that event.

21.3 MSC Cruises or the suppliers of the services the Passenger has bought will provide the Passenger with the services he has bought (or a suitable alternative). In some cases, where neither MSC Cruises nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide the Passenger with the services he has bought or a suitable alternative (at no extra cost to the Passenger). the Passenger agrees to accept that in those circumstances the alternative ATOL holder will perform those obligations and the Passenger agrees to pay any money outstanding to be paid by the Passenger under the contract to that alternative ATOL holder. However, the Passenger also agrees that in some cases it will not be possible to appoint an alternative ATOL holder, in which case the Passenger will be entitled to make a claim under the ATOL scheme (or the Passenger's credit card issuer where applicable).

22. Data Protection

22.1 MSC Cruises requires personal information including but without limitation to name, address, gender, citizenship and dietary requirements which may disclose a Passenger's religious beliefs, any health, medical disability and any other special needs to process the Passenger's booking effectively. MSC Cruises may pass this information on to other relevant individuals such as travel agents, hotels, airlines or other transport providers, security and/or credit verification companies, credit and debit card companies or any governmental or public authorities, either as required by law or regulation or, if required by other such bodies. MSC Cruises may also circulate a passenger list to all Passengers prior to the Cruise which will include the names and nationality of each passenger.

22.2 The Passenger consents to such transfer of information, including to other countries which may not have such robust requirements regarding data protection as the UK, unless the Passenger objects in writing to MSC Cruises no later than seven days prior to the scheduled departure date. It is the Passenger's responsibility to make sure that information, which MSC Cruises holds about them is up to date and accurate. MSC Cruises' Data Protection Policy is set out in the Privacy Policy which is incorporated into these terms.

22.3 Personal data relating to individual Passengers shall be collected, processed, stored and used securely and in accordance with relevant data protection laws. Passengers consent to the collection, processing, storing and use of their personal data to enable MSC Cruises to perform the cruise. This may include providing Passenger details to Governments, immigration, port state control, police, flag state and other competent authorities and or as may be required by law. In the case of emergencies, the Passenger consents to MSC Cruises and the Carrier providing personal data to shore side doctors, next of kin, MSC Cruises and Carrier's insurers and advisors and the Passenger's medical insurers. Personal Data shall only be kept for as long as is necessary or required by law.

23. Variation

23.1 No variation of these terms shall be effective unless in writing and signed by MSC Cruises.

24. Smoking Policy

24.1 MSC Cruises respects the needs and desires of all Passengers, and we have considered carefully the subject of those who smoke and those who do not. In compliance with global standards, smoking is freely permitted in dedicated areas throughout the ship and equipped with a special air extraction system.

24.2 In principle, smoking is not permitted in any food service areas (buffets and restaurants, the medical centres, childcare areas, corridors or elevator foyers, areas where Passengers are assembled in groups for safety exercises, disembarkation or tour departures, public toilets, or in bars close to areas where food is served).

24.3 The Carrier highly recommends Passengers avoid smoking in the cabins because of the risk of fire. Smoking on the cabin balconies is not allowed. MSC Cruises reserves the right to levy a fee should Passengers be found smoking in not designated area of the vessel. Repeatedly smoking in non- smoking areas can ultimately lead to disembarkation.

24.4 Smoking is permitted in dedicated areas of at least one bar on each ship, and on one side (indicated by signage) of the principal outer pool deck areas, where ashtrays are provided.

24.5 Throwing cigarette butts over the side of the ship is prohibited.

25. Liability of Employees Servants and Subcontractors

25.1 It is hereby expressly agreed that no servant or agent of MSC Cruises and/or the Carrier, including the Master and crew of the vessel concerned including independent subcontractors and their employees as well as the underwriters of these parties shall in any circumstance whatsoever be under any liability whatsoever beyond these Booking Terms & Conditions and these parties may invoke these Booking Terms & Conditions and the Conditions of Carriage to the same extent as MSC Cruises and/or the Carrier.

25.2 Shore Excursions are operated by independent contractors even if sold by Agents or on board the ship. MSC Cruises shall not be responsible in any way for the services provided by such independent contractors. MSC Cruises operates as mere agent for the Shore Excursion provider. MSC Cruises has no direct control over the Shore Excursion providers and their services hence in no case whatsoever will MSC Cruises be held liable for loss, damages and injuries suffered by the Passenger as a result of the negligence or otherwise of the Shore Excursion providers. MSC Cruises will exercise reasonable skill and care in the selection of a reputable Shore Excursion provider. In assessing performance and/or liability of Shore Excursion providers, local laws and regulations will apply. Shore Excursions shall be subject to the Shore Excursion provider's terms and conditions including the benefit of any limitation of liability and the level of damages. MSC Cruises' liability shall never exceed that of the Shore Excursion provider.

26. Law and Jurisdiction

26.1 The present contract is governed by English law. Should any dispute arise on the interpretation or application or performance of the present contract, it will be deferred to the exclusive jurisdiction of the English courts. Subject to EU 392/2009, all other claims shall also be brought in the English courts and be subject to English law.

27. Errors Omissions and Changes
